Finance student and research assistant with experience in customer service, financial product sales and transaction processing. Brings careful information review, clear communication and teamwork to fast-paced customer-facing work.

CUSTOMER SERVICE & FINANCIAL EXPERIENCE

Field Marketing Representative Oct 2025 - Dec 2025
Kognitive Sales Solutions | Lethbridge, AB

- Presented Canadian Tire Bank products to retail customers, clarified features and eligibility requirements, and guided interested customers through applications.
- Reviewed customer-provided personal and income details for accuracy and completeness while safeguarding confidential information.
- Addressed customer questions and concerns while building rapport with store staff and working toward sales targets.

Sales Associate Apr 2025 - Jul 2025
Canadian Tire Corporation | St. Albert, AB

- Supported 300+ weekly customer transactions and service interactions with approximately 99.9% accuracy.
- Processed purchases, payments and returns while answering product questions; worked with teammates to resolve routine issues and keep service moving during busy shifts.

Financial and Marketing Intern Aug 2022 - Feb 2023
Abbitex Premium | Kathmandu, Nepal

- Processed and coded 100+ invoices each month, organized supporting records and checked sales and financial information for discrepancies.

RESEARCH & DATA EXPERIENCE

Research Assistant Nov 2026 - Present
University of Lethbridge | Supervisor: Dr. Shamsul Alam

- Contribute to a risk-management research paper under Dr. Shamsul Alam’s supervision.

Student Marker, FINC 3412 - Fundamentals of Investments Fall 2026
University of Lethbridge | Supervisor: Dr. Shamsul Alam

- Grade investment course assessments consistently against instructor-defined criteria; protect student confidentiality.

Online Data Analyst Aug 2024 - Dec 2024
TELUS International | Remote

- Validated data against detailed procedures, researched unclear cases and documented decisions independently while meeting quality standards and deadlines.
